Education

- 2020 – 2025 **Scientific High School Diploma, Liceo Scientifico "G. Galilei", Trento**
Applied Sciences track with a focus on Artificial Intelligence
Final grade: 100/100 with honors
- 2025 – present **Bachelor's Degree in Computer Science, University of Trento**
Currently enrolled in the first year

Experience

- 2014-2023 **Scouting**
Multi-year experience in the scouting movement, involving group activities, outdoor life, and community service. This experience allowed me to develop a strong sense of responsibility, autonomy, organizational skills, and teamwork.

Internships and Training Programs

- 2023 **Huawei Italy Summer Camp**
36-hour summer internship at the *Huawei Pisa Research Center*, carried out together with my team from the Italian Informatics Olympiads in Teams. The project focused on designing a system to optimize the allocation of the research center's limited resources among multiple users.
- 2024 **Artificial Intelligence Summer Camp**
30-hour internship at the University of Trento, focused on the practical application of Data Science skills acquired during high school. The program involved group-based design of a data-driven product, with a final public presentation of the results.
- 2025 **Training and Selection Camp – Italian Olympiads in Informatics**
Advanced training sessions and selection contests organized by the Italian Olympiad in Informatics. The program included five days of in-person activities and 50 hours of remote training, reserved for top-ranked students in the Individual Informatics Olympiad, with the aim of selecting participants for European competitive programming competitions.

Awards and Honors

- 2020 **Kangourou Mathematics Competition**, 7th place, Cadet category
- 2023 **Italian Informatics Olympiads in Teams**, Gold Medal
- 2024 **Italian Olympiad in Informatics**, Silver Medal
- 2025 **Italian Mathematics Olympiad**, Honorable Mention

Skills

Languages	📖	Italian, native English, Cambridge English: First (FCE) - Level B2
Programming	📖	Advanced C/C++, PYTHON, L ^A T _E X Intermediate R, GIT Basic HTML, CSS, SQL, JAVA, ML

Interests

- 📖 Competitive programming and algorithmic problem solving
- 📖 Artificial intelligence and machine learning
- 📖 Gym and sports activities

I authorize the processing of my personal data in accordance with Legislative Decree No. 196 of June 30, 2003 and Regulation (EU) 2016/679 (GDPR), exclusively for purposes related to recruitment and personnel selection.
